

27 September 2023

At Pinterest, we work hard to take action against harmful and illegal content. As a result, we've deactivated the Pin you saved.

Pin ID: 1021332021718150663

<https://www.pinterest.com/pin/1021332021718150663/>

Saved to: 'Quick saves'

Status: Deactivated

What does this mean?

This means the Pin is not available anywhere or to anyone on Pinterest.

How was this violation identified?

We identified this violation through our own investigation.

We made this decision using a hybrid method. This means that a human determined that content on Pinterest violated policy, and automated systems helped expand that decision to enforce against machine-identified matching Pins like yours.

Which policy was violated?

This Pin violates our Community Guidelines on adult content because it contains sexual exploitation.

What you can do

If you think we've taken action by mistake, you can submit an appeal through your Reports and violations centre within 6 months of the date of this notice. For more information on how to submit an appeal, please visit our Help Centre:

<https://help.pinterest.com/article/review-your-reports-and-violations/>.

You can review your profile and boards and remove any other content that may go against our Community Guidelines or local law. If we discover more content that violates our Terms and Conditions or the law, we may take additional action on your account, such as deactivating it.

For more information, see our Community Guidelines (<https://policy.pinterest.com/community-guidelines>) or visit our Help Centre: <https://help.pinterest.com/article/digital-services-act>.
